

Nissan Forklift Part

Nissan Forklift Parts - Nissan Motor Co. Ltd prides itself on attaining complete consumer fulfillment when enjoying one of their car, truck or forklift products. They are committed to delivering high value and meticulous quality values to their customers. Incorporating a prosperous heritage combined with solid production principals, Nissan lift trucks supply a few of the finest materials handling equipment the industry has to offer.

In order to satisfy the worldwide requirements of their diverse customer base, Nissan Forklift added a Swedish warehouse manufacturer, Atlet AB to its family. Dedicated to offering consumer support, the company has four distinct production facilities that permit them to continually adapt to their clients continually evolving desires by providing an assortment of modern ideas and designs.

Nissan Forklift operations for North and South America is situated in Marengo, Illinois. Home to a team of 350 personnel, they are devoted to the design, manufacture, and support of their forklift products. Using ISO standards (ISO-9001 and ISO-14001 certifications) this permits sectors of the Nissan Forklift Operation to maintain environmental responsibility by using methods and processes that lessen their environmental footprint. These high values remind clients that Nissan operates under the quality seal that their consumers command while being an environmentally responsive company.

Nissan is certain that they will be able to address any client questions or concerns. Always available through their website or by calling 800.871.LIFT, reaching one of their community endorsed dealers or even traveling to their Midwestern facility, Nissan Forklift Corporation is confident you will be impressed with their hospitality and dedication.
