

Lull Telehandler Parts

Lull Telehandler Part - Telehandlers by Lull have been providing load placement precision since nineteen fifty nine. The Lull telehandler can help make the work easier and faster, whether the job entails transferring loads, positioning heavy steel or landing loads on scaffoldings. These units are available together with the patented Stabil-Trak stability system to ensure operator confidence.

The horizontal placement system by Lull is able to provide eighty inches of boom travel for precision placement functionality. There are also many optional Lull attachments for their telehandlers so as to help finish whichever task.
