

Electrical Parts for Forklifts

Electrical Part for Forklifts - Lift trucks can be purposely marked for use in hazardous places. A marked forklift indicates the design has met the minimum requirements of ANSI/UL 558 for engine powered forklifts or ANSI/UL 583 used for electric forklifts for the type of label placed.

Applications for marked forklifts can be found in National Fire Protection Association NFPA 505 - Powered Industrial forklifts including: Maintenance and Operation, Type Designations, and Areas of Use. Ask your local insurance carrier and Fire Marshall for additional info concerning the approved uses of industrial powered trucks in your application.

If the forklift has been proven to satisfy the outlined criteria, the following labels may be put. A labeled truck will have the model description put on the forklift nameplate and would have one of the following labels attached.
