

## Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's innovative flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to giving top quality and new design concepts in order to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines always provides fresh design concepts. They enjoy offering items that energize both their dealers and their partners and provide production gains to their clients.

The TREK team of workers enjoys new challenges and new tasks. They are very proud to introduce its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' skills and needs along with their understanding of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

When considered necessary, the staff members within TREK and its many dealer members in both technical support and parts would be accessible. Among their core values is their high service commitment in their customer service. Keeping their clients' cleaning machines ready and running day by day is top priority. The company's top of the line technology delivers reliable machine which ultimately lowers your cost of cleaning. The product, the price and the service all work as one to make them an industry leader.
